INDEPENDENT AUDITOR'S REPORT

Board of Directors The Funders Network, Inc. Coral Gables, Florida

Opinion

We have audited the accompanying financial statements of The Funders Network, Inc., (a nonprofit organization), which comprise the statements of financial position as June 30, 2022 and 2021, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Funders Network, Inc. as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Funders Network, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Funders Network, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT (continued)

Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of The Funders Network, Inc.'s internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Funders Network, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements June 30, 2022 and 2021

1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization: During the fiscal year ended June 30, 2021 the Organization changed its name from Funders Network for Smart Growth and Livable Communities, Inc. to The Funders Network, Inc. The Funders Network, Inc. (hereafter referred to as the "Organization"), exists to inspire, strengthen and expand funding and philanthropic leadership that yields environmentally sustainable, socially equitable, and economically prosperous regions and communities. The Organization serves as an active resource and focal point for foundations, non-profit organizations and other partners working together to create opportunities by positively impacting the range of environmental, social, and economic issues exacerbated by the phenomena of suburban sprawl and urban disinvestment.

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting. Using this method, revenues are recognized when earned and expenses are recognized when incurred.

Date of Management's Review: In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through October 20. 2022, the date that the financial statements were available to be issued.

Cash and Cash Equivalents: For purposes of the statement of cash flows, the Organization considers interest-bearing cash accounts with an original maturity of three months or less to be cash equivalents.

Investments: Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Grants Receivable: Grants receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to the receivable. At June 30, 2022 and 2021, there was no valuation allowance for uncollectible amounts because management considered all grants receivable to be fully collectible. Changes in the valuation allowance have not been material to the financial statements.

Revenue and Revenue Recognition: The Organization recognizes contributions when cash. securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Membership dues, which are non-refundable, are comprised of an exchange element based on the value of benefits provided, and a contribution element for the difference between the total dues paid and the exchange element. The Organization recognizes the exchange portion of the membership dues over the membership period, and the contribution portion immediately. The Organization records conference registration fees and other program income when the event takes place. Any funds received in advance are recorded as deferred revenue. The following schedule shows the activity in deferred revenue:

Notes to Financial Statements June 30, 2022 and 2021

Current Revenue Recognized	9	(109,958)
Deferred Revenue, June 30, 2022	\$	155,793

Income Taxes: The Organization is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

The Organization has not incurred any interest or penalties on its income tax returns.

The Organization's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments: Cash equivalents, grants receivable, prepaid expenses, accounts payable and accrued expenses, deferred memberships and security deposits are reflected in the financial statements at cost, which approximates fair value because of their shortterm nature.

Contributed Services, Facilities, and Materials: Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at their fair value in the period received. Contributed facilities and materials are also recorded at their fair value in the period received.

Reclassifications: In order to facilitate comparison of financial data, certain amounts recorded in the prior year have been reclassified to conform to the current year reporting format.

Net Assets: Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Notes to Financial Statements June 30, 2022 and 2021

1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

2. LIQUIDITY AND RESERVES

The Organization has a policy to manage its liquidity and reserves following three guiding principles: operating within a prudent range of financial stability, maintaining adequate liquidity to fund near-term operations, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

The following table reflects the Organization's financial assets as of June 30, 2022 and 2021, reduced by amounts not available for general expenditures within one year.

1 – 2 years		125,000	 985,000
	\$	2,096,000	\$ 2,647,000

4. REFUNDABLE ADVANCE

On March 29, 2021, following the passage of the CARES Act, the Small Business Administration provided non-profit organizations impacted by COVID-19 the opportunity to obtain financial assistance. The Organization has applied for, and received \$209,111 from the CARES Act's Paycheck Protection Program (PPP) during the year ended June 30, 2021. The Organization records the PPP funds in accordance with FASB ASC 958-605 as a conditional contribution. The PPP requires recipients to use the funds principally for payroll and other qualified expenses in order for the funds to be recognized as revenue. During the years ended June 30, 2021 and 2020, the Organization has recognized \$125,310 and \$83,801 respectively, as revenue and is reported in the statement of activities as Federal Program Grants. The Organization has received formal forgiveness of the entire \$209,111.

During fiscal year end June 30, 2021, the Small Business Administration provided a second round of PPP funding. The Organization applied for and received \$209,112 of funding. The Organization recorded this funding similar to the original PPP loan as a conditional grant. During the year ended June 30, 2021 the Organization incurred qualified expenses and recognized the entire \$209,112 as revenue. The Organization has received formal forgiveness of the entire \$209,112.

Notes to Financial Statements June 30, 2022 and 2021

8. RETIREMENT PLAN

The Organization has a Section 401(k) retirement plan. Eligible employees must be at least 21 years old and have completed three (3) months of service. The Organization contributes 5% of an active participant's compensation that is contributed to the plan through salary reduction. During the years ended June 30, 2022 and 2021, the Organization contributed \$49,785 and \$50,777, respectively, to the plan.

9. **CONCENTRATIONS OF CREDIT RISK**

During the year ended June 30, 2022, the Organization received approximately 34% of its revenue from one funder.

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash equivalents and unsecured grants receivable. The Organization's ability to collect these receivables is dependent upon economic conditions and the financial condition of its customers. The Organization has not experienced significant losses related to receivables from individual customers or groups of customers. Management believes no additional credit risk beyond amounts provided for collection losses is inherent in the Organization's grants receivable.

The Organization maintains cash and investment accounts that, at times, may exceed insured limits. At June 30, 2022, demand deposits in financial institutions exceeded the depositor's insurance provided by the applicable guaranty agency by approximately \$240,000. The Organization has not experienced any losses from maintaining cash accounts in excess of insured limits. Management believes that it is not exposed to any significant credit risk on its cash accounts.
