## ABOUT THE FUND

Partners for Places enhances local capacity to build equitable and sustainable communities in the United States and Canada. These awards support the planning and implementing of equitable climate action and green stormwater infrastructure projects.

To date, Partners for Places has awarded more than \$10.9 million across North America, generating more than \$21.6 million in additional community investments.

Partners for Places is managed by The Funders Network. It is supported by [The JPB Foundation](#), [The Kendeda Fund](#), [The Kresge Foundation](#), and the [Pisces Foundation](#).

# 2023 PROGRESS

ALL AWARDS ARE MEASURED  
AGAINST FUND PERFORMANCE  
INDICATORS

---
